Water Week

Our theme for this week is Water Week. We will be doing lots of wet activities as well as exploring some of the things water can do. Campers may get wet on any day this week so please dress accordingly! We will also continue our character focus on trustworthiness.

Note: As the summer continues to be hot and muggy please make sure campers are bringing water bottles every day! We have lots of bottles turning up at our lost and found, so check to see if any belong to your family.

THIS WEEK'S HIGHLIGHTS

Monday

Swim day! We will have outside activities in the morning. Then we will go swimming. Be sure to have your bathing suits, sunscreen and towels. In the afternoon we will play some Active games.

Tuesday

We will start back up with tennis and yoga after the break last week. After lunch we have a sun catcher craft and some outdoor games.

Wednesday

In the morning we will have a character lesson and do an activity to show how water effects things in nature. At 1:30 we will take our field trip to Trago Park Sprayground. Campers should wear their orange shirts over their swim clothes to the field trip. Sunscreen is especially important at the spray park! We will return to the center around 4:00.

Thursday

We will continue our morning routine of caring for the park before swimming. Be sure to have your bathing suits, sunscreen and towels for swimming. After swimming and lunch we will have a campers' choice activity.

Friday

We walk to South Branch Library in the morning. After lunch we will play lots of water games outside!
